LEADERSHIP DEVELOPMENT
PHYSICIAN LEADERSHIP PROGRAM

PHYSICIAN LEADERSHIP FOUNDATION COURSE

CREATED BY AN EXECUTIVE CALL FOR ACTION

The Academy Physician Leadership Program is designed exclusively for physicians (10-15 years post-medical school) who have an established interest in large health system leadership. In keeping with The Academy-branded experience, top-tier faculty lead the highly motivated physician peer group through real-world management and leadership training focused exclusively on developing tomorrow’s Top-100 physician leaders. The structured, collegial environment is designed to enrich learning while building life-long peer relationships. The course provides an overview of leadership, management, health service, and career development topics necessary for today’s physician leaders.

THE ACADEMY ONLY - DISTINCTIONS

The Who’s Who: This is the apex — where healthcare transformation decisions are made. The Academy includes the Top-100 largest U.S. health systems, averaging $4.5 billion in net patient revenue.

The Academy Experience: The highly immersive, intimate, peer group approach is designed to facilitate collegial, senior executive alignment.
The Academy provides peer-to-peer learning and leadership development programs where the latest Academy research, policy analysis and expert views on the issues driving healthcare, are analyzed and discussed. AcademyNet unlocks this collective intelligence with 1-click digital access that enables health system and industry members to elevate performance and solve their most pressing issues.

The highly collaborative Academy Top-100 Programs enable members to cultivate the perspective, support, knowledge and relationships not available anywhere else. Since 1998 these programs have been developed, expanded and refined working side-by-side with members to address their growing needs.
