Population Health Collaborative

A multidisciplinary network of health system leaders addressing the greatest challenges and opportunities in population health

A Unique Working Group Experience with Leading Health System Peers
Address the Key Challenges and Opportunities in Population Health
- 100% peer-generated and member led content
- Focus areas include:
  » Virtual Health Transformation to Improve Access
  » Reducing Cost and Clinical Variation Across the Continuum
  » The Rise of Analytics and SDOH in Population Health
  » Effective Care Coordination and Management

How We Engage
Virtually
Facilitated, small group discussions with select industry and health system members focused on strategic priorities.

In-Person
Five-star retreat-style events featuring keynote speakers, facilitated breakout discussions, and informal engagement moments.

Develop Deep Connections
- Intimate programming focused on exchange and building relationships
- In-person and virtual interactions through whole- and small-group discussions
- Environment for candid conversations not shared beyond the group

Access to Unfiltered Insights from the Market
- Precise capture of insights across programs rapidly delivered to members
- Weekly digests curated with most pertinent information to give visibility into peer and member institutions

Participation Benefits

- **Exclusive peer network**
- **Retreat-style meetings, virtual and in-person**
- **Expert Facilitated Workshops**
- **Weekly LHS market insight digests**
- **Amplification of resources contributed by members**
