## THE ACADEMY FORUMS

The Academy consists of 16 Executive Forums and two Summits (CEO and Trustee). This peer network is designed for senior-level corporate executives of the Top-100 Health Systems and prominent corporations who have similar challenges and opportunities.

## THE CEO FORUM

As the trusted source for world-class, Top-100 health system solutions, The Academy strategically integrates executive voices that impact change. By design this includes a hand-selected and strategic balance of top health system and health industry leaders who together assess and anticipate trends, test new ideas, and collaborate to identify, accelerate and drive innovations.

## PROGRAMMING

Convening twice annually, meeting topics are developed through active discussions with Forum members and focus on strategic topics. Presentation and discussion formats include case study profiles, guest speakers in addition to small and large group discussions.

- Topics – Changing business models, market development, shared risk strategies, coordinated care and population health
- Issues Forums – Health system and industry members share insights on opportunities and challenges facing large health systems
- Health System Discussions – Health system members convene to discuss key strategic issues and share best practices
- Fireside Chats – Members gather for interviews with notable guests including health and business executives, political experts, authors, and other prominent individuals

## MEMBERSHIP BENEFITS

Members of the CEO Forum benefit from:

- An exclusive peer network of presidents and CEOs leading Top-100 health system regions and hospitals
- A stake in driving industry and health transformation through active strategy discussions
- Access to The Academy's member network, research, and advisory expertise.

## MEMBERSHIP GUIDELINES

Eligibility for the forum is contingent on being a President or CEO of a sub-health system, region or hospital with an operating revenue of a \$1 billion or more.

# ABOUT THE ACADEMY

The Academy provides unique, executive peer learning, complemented with rigorous and highly targeted research and advisory services to executives of Top-100 health systems. “I look back on 1998, when I started with the first group of CMOs in The Academy, with great affection. The individuals I met then are great friends and colleagues today, and many of us have moved to the top of our respective health systems, which is a credit to The Academy. Most importantly, 18 years later, I can still pick up the phone and talk to these people to exchange ideas.”

- Rod Hochman, M.D.  
President & CEO, Providence St. Joseph Health
